Miss Pearl Griffin pleasantly entertained her friends Wednesday evening, at her home on Washington street, the occasion being in honor of her 17th birthday. During the evening a dainty collation of marshmallow cream and cake were served and Miss Griffin received many pretty and useful gifts, one being a gold watch from her parents. The pictures at the Theatrum are fine, the hand-colored picture, "The Wonderful Eggs," is a beauty, and "The Stepmother," a drama with plenty of action, is sure to find favor, while the "Nurse's Romance" will linger long in the minds of the many who attend this popular theatre. Mr. Geo. Harrington sings "Comrade Mine," which completes one of the best bills that has been offered at this house in some time. A boom for summer base ball has been started by the offer of the Barre and Montpelier league system of \$500 in cash and the use of the Intervarsity base ball grounds if Barre-Montpelier puts a team into a state league, or each city puts a team into such a league. There is more or less feeling about town that summer base ball would be a nice thing to have, after a summer of rest from it. The Intervarsity Athletic association, which has charge of the local teams in the several years that Barre-Montpelier has been represented in the Northern league, will have its annual meeting some time next week, and it is possible that the matter of starting a state league will be acted upon.

LADIES' SPRING SKIRTS.

Just received another lot of Spring Skirts in the voiles, panamas, poplins, melrose, prunellas and novelties. These are the M. & C. Skirts, the make of Skirt that has a style and finish that fits and keeps their shape.

These Skirts are made of material which is the best that can be put into a Skirt at the price, and the prices range from \$3.98 to \$5.00.

At \$3.98 is a line of Skirts made of a fine quality all wool Panama, made in three styles of the new circular gore style, finished with self-stitched bands.

At \$5.00 are some values which will compare with Skirts you will be shown at, we think, more; one which we would particularly call your attention to is made of a fine M. H. Panama, is made full circular gore style, with three stitched bias bands around bottom and fancy stitched bands across front.

LADIES' SPRING SKIRTS.

At \$5.75 is a line of Skirts in black and colors, which we consider the best values we ever put out at this price. Same are made of a fine all-wool Panama in black, blue and brown, also grey stripe, is made in the new flare style, finished with self strapping.

At \$6.75, 7.50, 8.75 and 1.00 are some new models in panamas, poplins and melrose. These Skirts come in a number of new models, which are sure to be very popular.

At \$10.00, 12.00 to 15.00 is a line of Altman Voil Skirts in blacks and blues, which are the best we have shown. These are a voil which is hard twisted and will weigh as much to the yard as the Panamas and have a finish equal to silk, and will not stretch and sag like the soft Voils which come in the cheaper sorts.
